

# Grading Rubric

"Calculate" App

- 2 Has 2 EditTexts (or inputs)
- 2 Has 2 Buttons (or actions)
- 2 Has 2 TextViews (or outputs)
- 1 Compiles
- 1 Runs/Works

Additional remarks

**Additional: Error handling, interesting calculations, color changes**

---

**You can truncate the decimal places when displaying the calculations.**

---

**Bottom buttons are misaligned. You can put those in a linear horizontal layout.**

---

**Base(80) + additional(10) = 90%**

---
